# 12 North Texas Nonprofits Unite for the 2nd Annual United for Impact Block Party

*A Community Celebration in Support of North Texas Giving Day*

---

**Dallas, Texas | July 2026** — The United for Impact Coalition is proud to announce the return of its annual community block party, now in its second year and bigger than ever. On **Saturday, September 12, 2026**, twelve North Texas nonprofit organizations will come together at the **Trinity River Audubon Center** in Dallas from **9:00 AM to 1:00 PM** to celebrate community, amplify their missions, and rally North Texas to give during one of the region's most impactful days of charitable giving.

During the inaugural United for Impact Block Party in 2025, the coalition brought together six organizations and welcomed more than 125 attendees proving that when nonprofits work together, the entire community wins. This year, the coalition has doubled its organizational participation and is poised to reach an even greater audience.

"North Texas Giving Day is one of the most powerful 24-hour fundraising opportunities in the country, and this block party is our way of making that energy visible and accessible to our communities," said **Latorra Garland**, Co-Founder and Executive Director of Jacob Way Organization. "When we pool our resources and show up together, we don't just raise money we raise hope."
